## BRIGHTENING GLOW FACIAL SERUM - AHA VITAMIN C

### 1) Concerns

Perfect for people with the following concerns

- A person who has a lack of radiance or a tired, uneven tone skin
- a person who wants soothing and hydrating skin

### 2) Key Features

#### ► Radiance Boost

Brightening Glow Serum is a cutting-edge skincare product designed to rejuvenate and illuminate your complexion. Infused with potent ingredients like Alpha Hydroxy Acid (AHA) and Vitamin C, this serum addresses dullness, uneven skin tone, and signs of aging, leaving your skin radiant and revitalized. This serum is the perfect addition to your skincare routine, providing a radiant, youthful glow with the power of AHA and Vitamin C.

#### ► Intense Hydration:

The serum is formulated with hydrating ingredients that penetrate deeply, providing long-lasting moisture and plumpness to the skin. This helps maintain skin's suppleness and prevent dehydration.

#### ► Antioxidant Defense:

Both AHA and Vitamin C are rich in antioxidants, which protect the skin from environmental stressors and free radicals. This defense mechanism helps to slow down the aging process and keep the skin youthful.

#### ► Non-Irritating Formula:

The serum's formulation is designed to be gentle on the skin, making it suitable for all skin types, including sensitive skin. It delivers potent results without irritation.

### 3) Main ingredients

► AHA (Alpha Hydroxy Acid): This powerful ingredient gently exfoliates the skin, removing dead skin cells and promoting cell turnover. It helps to reveal a smoother, more even skin texture and reduces the appearance of fine lines and wrinkles.

► Vitamin C: Renowned for its brightening effects, Vitamin C helps to diminish dark spots and pigmentation, enhancing overall skin clarity.

It promotes an even skin tone and a glowing complexion.

### 4) How to use?

- ✓ After cleansing your skin, apply the right amount of serum
- ✓ You can use it once in the morning and once again in the evening

### 5) Ingredients:

## BRIGHTENING GLOW FACIAL CREAM - AHA VITAMIN C

### 1) Concerns

Perfect for people with the following concerns

- A person who has a lack of radiance or a tired, uneven tone skin
- a person who wants soothing and hydrating skin

### 2) Key Features

#### ► Brightening & Even Tone:

Brightening Glow Cream is a revolutionary skincare product designed to rejuvenate your complexion and enhance your skin's natural radiance. Infused with potent ingredients like Alpha Hydroxy Acid (AHA) and Vitamin C, this cream targets dullness and uneven skin tone, leaving your skin looking luminous and refreshed. This cream is your go-to solution for achieving a brighter, more youthful glow.

#### ► Hydration and Nourishment:

The cream is formulated with moisturizing agents that deeply hydrate the skin, ensuring it stays plump and supple. It helps to restore the skin's natural moisture barrier, preventing dryness and flakiness.

#### ► Antioxidant Protection:

Both AHA and Vitamin C are powerful antioxidants that protect the skin from environmental damage caused by free radicals. This helps to prevent premature aging and maintains the skin's youthful appearance.

#### ► Boosts Collagen Production:

Vitamin C is essential for collagen synthesis. Regular use of this cream can help to boost collagen production, improving skin elasticity and firmness.

#### ► Non-Irritating Formula:

Despite its potent ingredients, the cream is designed to be gentle on the skin. It is suitable for all skin types, including sensitive skin, and can be used daily for optimal results.

### 3) Main ingredients

- AHA (Alpha Hydroxy Acid): This powerful ingredient gently exfoliates the skin, removing dead skin cells and promoting cell turnover. It helps to reveal a smoother, more even skin texture and reduces the appearance of fine lines and wrinkles.
- Vitamin C: Known for its brightening properties, Vitamin C helps to fade dark spots and hyperpigmentation. It works to even out skin tone, giving you a more uniform and radiant complexion.

### 4) How to use?

- ✓ Apply an appropriate amount at the end of the skincare step
- ✓ You can use it once in the morning and once again in the evening

### 5) Ingredients:
